*Four Pointes is a 501 (c)(3) organization serving
older adults in North Ottawa County communities.
Millage, grant, and donation funded.*

Who We Are

Four Pointes has always been a reflection of the older adult community and its needs. We have consistently sought to reflect the best practices in wellness center/social service programming and philosophies of service. Serving the northern part of Ottawa County, we continue to reflect these trends and service delivery methods, continue to be cutting edge and provide a proactive culture for successful aging.

The Four Pointes

Intellectual

Spiritual

Our Mission:

To promote the vitality, independence and well-being of older adults in the North Ottawa County community by providing needed services and information, encouraging recreation and lifelong learning and advocating for solutions to the issues of aging

How We Can Help

Wellness Center

Four Pointes offers more than 50 activities ranging from fitness, learning, arts, recreation, and social events.

Community Living

Trained social workers are available to assist older adults and family members with coordinating services that may be brought into the home for a safer, more comfortable independent living environment.

- Home Services
- Case Coordination/Support
